

## Professional Tribute to Sharon Beckley, CPCS, CPMSM, FMSP

The Celebration of life for Sharon Beckley will be held at Connect Church in Royal Palm Beach at 1:30 p.m. on Saturday, November 26, located at 10701 Okeechobee Blvd., Royal Palm Beach, FL 33411. Flowers are appreciated; however, if you would like to donate in her honor instead, there are two organizations dear to her family: Feed the Hungry South Florida, Inc., and Trustbridge Hospice Care, who took such wonderful care of Sharon during the last few weeks. Her family will publish an event page with more information about the services. The home mailing address is 11159 59<sup>th</sup> Street North, West Palm Beach, Florida 33411.

Sharon served on the FAMSS Board of Directors for 13 years. Initially, she was appointed six years as press secretary from 2001 to 2007. Then Sharon was elected as president-elect, president, and immediate past president. While her last FAMSS leadership term ended in 2013, Sharon remained active with FAMSS educating MSPs at several State and Chapter levels for certification workshops. Her numerous educational presentations centered around certification workshops and credentialing 101 sessions. Through her dedication to our profession, Sharon recognized the need to develop and mentor individuals responsible for managing credentialing, privileging, and regulatory compliance in the healthcare industry. Also, as an active National Association Medical Staff Services (NAMSS) member, Sharon was dual-certified as a CPCS and CPMSM. She was awarded the NAMSS Fellow Medical Services Professional designation, FMSP, in 2016 in the first group of NAMSS Fellows. The NAMSS Fellow designation recognized Sharon as a career MSP because she made outstanding contributions to the profession through service as a leader, mentor, and educator.

In her recent professional experience of almost two years, Sharon served as Healthcare Performance Consultant for Palm Beach Accountable Care Organization, LLC. Her first MSP role spanned 20 years as Director of Medical Staff Services at Columbia Hospital. Then at Wellington Regional Medical Center, Sharon served as Administrative Director of Graduate Medical Education and Director of Medical Staff for almost eight years. We will miss her valuable knowledge and unwavering support in leading MSPs to achieve certification.
